Linda Vista Town Council General Meeting

11/15/2023

I. Call to Order @6:35 PM by Becky Hunt.

II. There was no quorum of membership present, but dinner had arrived so the Vice President, Becky Hunt, asked those assembled to eat while listening to the presentations of the public who were present.

III. November is the month to elect officers, but without a quorum that could not be done. At the November Board meeting Victor Tocco stepped down as Council President because of other obligations. Since the Board members are elected for two-year terms, Victor asked that he become he Vice-President and Becky Hunt assume the position of President in 2024. The Board passed this unanimously.

IV. Community Reports:

i. Officer Surwillo answered questions from the assembled people. The best way to get attention for speeding or another traffic problem on a street is to contact the Traffic Engineering Department and ask them to do a study of the street or intersection. He said that one of the ways that people can get support for something that they feel is an issue is to use e-mail blasts or Next Door.

ii. Carol talked about the homelessness problems and suggested that there are alternatives to sleeping on the street this winter. There are tents 136 tents being erected at the 20th street and B street location and more beds in the former H

Barracks site which is being converted into a shelter area. SP43 is a ballot measure for 2024 which would provide accommodations to people with disabilities which include persons with addictions and mental health problems. She also stated that the City is installing Smart Streetlights that monitor traffic and they can identify problems on the streets. She also mentioned the City employs interns, ages 16 to 30, under the Empower program to see if they are interested in working with the City.

iii. Miles from Councilman Raul Campillo's office announced that Campillo and Chris Ward will be at the turkey giveaway at Bayside. He also announced that the Bus Route 41 is in early development. He also stated that the scouts will be putting up flags in front of the shopping center. Posts for Route 41 may interfere with the flags near the traffic lanes. Officer Surwilo asked Miles from Campillo's office to let him know when this is happening, and he will coordinate with an officer to deal with traffic. The flags usually go up on a Saturday.

iv. Howard Wayne, the President of the Linda Vista Planning Group, has died. Becky asked for a moment of silence in his name. His memorial will be on November 18th at 1 PM. Daniela will e-mail more information on the Memorial.

v. Bayside representative Kim Hanson is on the Steering Committee for the community garden. Stop by and the Bayside Educational Learning

Center (BELC) will give you three packages of seeds.

vi. Becky reminds you to sign up for the San Diego Recreation Connect to get news about what's happening there.

vii. The Linda Vista Multi-cultural Fair Committee meets at the Linda Vista library at the long table if you'd like to come by the third Thursday of the month.

V. At the end of the meeting the new president, Becky Hunt asked for feedback about the meeting structure and any suggestions that the community members would like to make. That feedback was:

1. The Bahai was a better venue. Answers to why were vague.

2. Why do we have two meetings a month?

3. Suggest asking Monica Montgomery Steppe to come and speak.

4. Advertise in the Linda Vista Update for meetings.

5. Have a satisfactory answer about why people should come to this meeting.

6. Have a person from each committee give an updated report on progress on what's happening with their committee.

VI. Meeting adjourned at 7:36 PM by Becky Hunt.

Respectfully submitted by Christine Weinstein, Secretary, LVTC
