California State Budget Overview 7/1/2024-6/30/2025

This budget is $291,490,000,000.

The money in this budget is spent at the rate of about $9,000.00 per second to cover the state of California.

Three quarters of the funds in the budget are collected in State taxes.

Health and Human services spend almost half of the total amount.

Education spending is a quarter of the total amount.

Other State functions such as Government administration, Cal Fire, Highway Patrol, and State Government salaries are the rest. Police and its administration are a local expense.

The proposed California State Budget is released each year on June 10th at ebudget.Ca.Gov. website. Between February and May subcommittees recommendations for the budget. The subcommittees meet every two weeks. You can watch the hearings or go back and watch the recordings. You can sign up for a subcommittee, but the Governor informs the subcommittees of his revisions.

Christopher Ward is a California Assemblyman, and the entire Assembly response is how they give input.

State Senator Toni Atkins is the President of the Senate, and she decides which committees people get to be on.

By June 30th, the final budget must be signed.

If all the funds are not spent the money is saved for times when we don't have money to spend. These are called Rainy Day Funds. But the reason for spending more money and the person(s) who determine if it really is needed or why it is costing so much becomes a debate. Going over the budget makes headlines.

Certain funds must be maintained according to the Budget stabilization Act and the Public-School Spending Act. Reserves are considered the

Safety Net in case we have a hard year. Next year there will not be a Safety Net.

V. Community Concerns: Victor Tocco, Linda Vista Town Council, Vice President.

A. Parking is getting tight. If this is a problem on your street, talk to your neighbor and try to work it out. If you do not get a response, come back.

B. There was an attempted robbery at the Love Linda Vista Farmers Market. They put some items in their backpack but left the backpack and a laptop behind as they fled. The police were notified. Victor will bring the backpack back to the school.

C. The 39th Linda Vista Multi-cultural Fair is April 27, 2024, from 10AM to 5PM. Several San Diego officials will be there like the Mayor, Toni Atkins, Christopher Ward, and Raul Campillo.

VI. Meeting adjourned at 7:39 PM by Becky Hunt

VII. The meeting minutes and agendas will be posted on the website.

Respectfully submitted by Christine Weinstein, Secretary, LVTC
