   A. Linda Vista Town Council President Becky Barrera-Hunt welcomed the attendees. She stated that there will be a street named in honor of Howard Wayne on Saturday.
   B. Community Concerns – Victor Tocco was called to help with parking concerns: taking up two spaces & trash around the area. Code enforcement isn't working. The person seems to be an alcoholic and perhaps actually dangerous. Officer Surwilo added that if a policeman is called in to help that the things may get truly dangerous. He suggests considering your personal safety first.
   C. Secretary Christine Weinstein has no report.
   D. Treasurer Jeff Schoellerman has no report.
   E. District 7 Representatives Report, Miles Noel: Miles Noel from Raul Campillo's office On Saturday, May 25, 2024, at 11 AM will be the dedication of the street named for Howard Wayne. He served on local and state assemblies representing District 7 and the Linda Vista area in which he resided. Raul Campillo will preside over the dedication at the intersection of Buenos Avenue and Morena Blvd.
   F. State Assemblymember Chris Ward Representative, Tatiana – This is the time of year when they revise the budget for the next year. It's a very busy time with subcommittees trying to lush for last minute bills before the summer. There is a recycling bill and a solar bill that are being reviewed.

G. Congresswoman Sarah Jacobs Representative, Mikaela – Jacobs has several things she is pushing for: childcare providers, social media, and the library. There is a lot of bureaucracy to maneuver through, but the library change will eventually happen.

H. Other Representatives: None.

I. Western Division: Officer Surwilo: There was a shift change last week. He suggests that if there is an issue call it in so the officers on their new shift and learn about the issues in the area. Noise complaints may take time, but officers will come. Make sure you keep yourself safe. Parking is always a problem, especially with denser housing. The law is you must move your ca every 72 hours. Parks and recreation have people putting out cones or leaving their trash barrel to get a space.

J. Membership –Daniela Ruiz. No report.

IV. Speaker: Parade of Flags: Janet Kaye- The original Parade of Flags was Joanne Carini's idea. There were 110 flags stored under the Thai Temple (now Skate world). Every morning the flags went up and every night they were brought back into the Temple. Now we do about 30 flags and we have 6 or 8 volunteers to put them up. Now the Scouts put them up. The holes get filled with water and maintenance is constant. The district keeps them now. Ethel was a veteran of Africa and she made sure the large flags were at the Firehouse. Randi got the Scouts involved in putting them up for volunteer hours and the Boy Scouts stored them in their garage.

V. The 39th Linda Vista Multi-cultural Fair is April 27, 2024, the Linda Vista Town Council will have a jumper for the children.

VI. Meeting adjourned at 7:28 PM by Becky Hunt

VII. The meeting minutes and agendas will be posted on the website.
