IV. Approval of August 2024 meeting minutes: Unanimously accepted.

V. Speaker: Courtney Aguilar of Clean Linda Vista and now a Linda Vista Town Council Board Member.

In September, the Linda Vista Town Council took on Clean Linda Vista as a part of the Linda Vista Town Council. There are many organizations that have a specific purpose in which they try to contribute to a clean

environment. Some of those organizations have similar goals to Clean Linda Vista such as: "We Clean Trails.org," Linda Vista Bike Club, food scaping in your backyard. Some of these organizations are on Facebook or Instagram.

The goal is to encourage the use of natural, sustainable methods of enhancing our environment. Some things you can do are:

1. Buy locally – less pollution in the air.
2. Encourage the growth of native plants and pollinators.
3. Lessen your use of plastic which is not biodegradable. Plastic is oil.
4. Styrofoam never degrades.
5. Re-use your plastic bags.

There are also issues with our parks and public places:

A. Linda Vista Park has old equipment that is sometimes dangerous to use.
B. There are homeless people that frequently leave trash or worse in the Skate Park.
C. Urinating in public places in Linda Vista.
D. Lack of lighting especially past Eddie's Market.

There will be a Clean up in Linda Vista Park on September 22. Come help! Community service prizes for volunteering!

VI. Meeting adjourned at 7:26 PM by Becky Hunt.

VII. The meeting minutes and agendas will be posted on the website.

Respectfully submitted by Christine Weinstein, Secretary, LVTC
